Welcome to Cloudpermit!

Welcome to Cloudpermit!

We're excited to have you as part of our Cloudpermit community.

Here's some information on how to use Cloudpermit and the features our platform offers.

Building Permitting

Apply for a building permit online:

The Rural Municipality of Lac du Bonnet uses the online community development platform **Cloudpermit** for building permits and inspections. So, you can complete the entire building permit process online on your phone, tablet, and laptop. With Cloudpermit, you can:

- Apply for building permits at any time, from anywhere
- Check the status of your building permit or building inspection (when your application status changes, you'll automatically receive an email letting you know)
- Schedule or cancel building inspections
- Communicate with your building department with time-stamped messages
- Request and submit changes to an existing building permit

How to get started:

To start, create your Cloudpermit account by visiting **https://ca.cloudpermit.com/login**
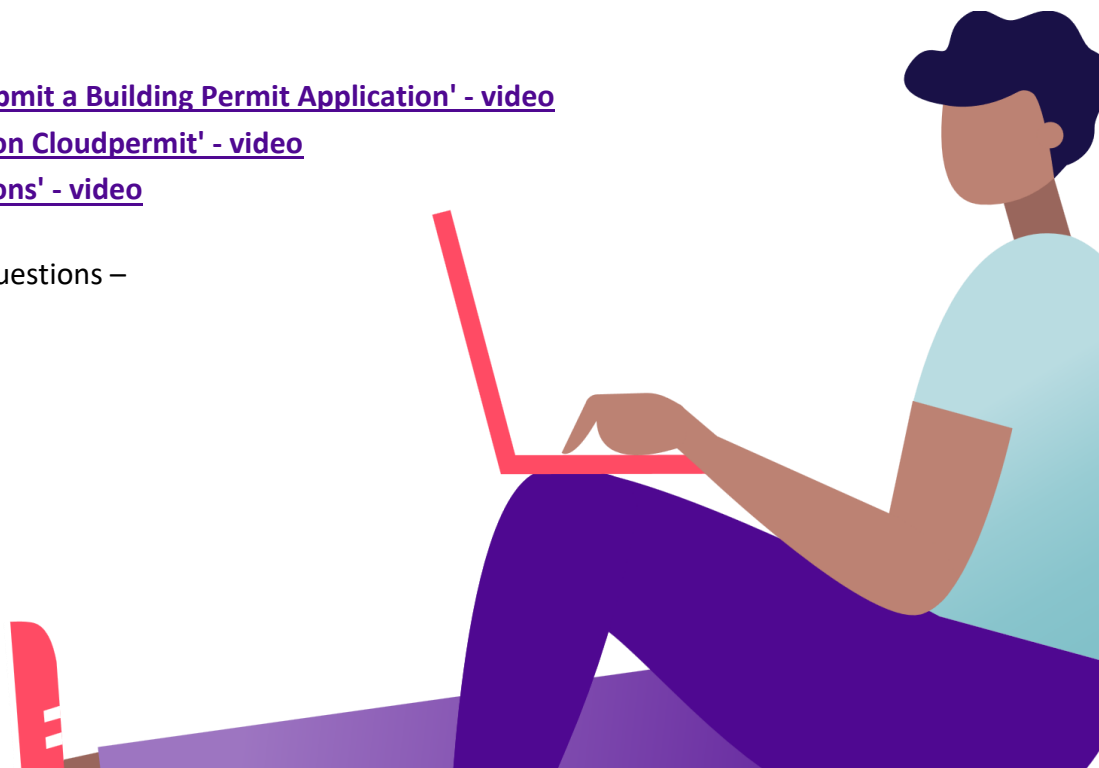

Once registered, you can apply for building permits and track their progress online.
